LETTER REGARDING INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents:

The applicants would like to thank the Examiner for his courtesy in allowing a telephone conference with the applicants' attorney on January 10, 2005. During the telephone conference, the applicants' attorney noted that four of the prior art references cited by the Examiner in the parent case (09/998,602) to the present application were inadvertently not cited in the present case. The Examiner agreed to review those references if the applicants filed by fax a supplemental information disclosure statement (IDS). The applicants filed the supplemental

IDS on January 10, 2005. The applicants are presenting this letter simply as a reminder to ensure that the references cited in the supplemental IDS are reviewed and listed on the face of the patent that will be issued.

Respectfully submitted,

Seed Intellectual Property Law Group PLLC
